## AUDITION INFORMATION!

KCP is pleased to announce auditions for its upcoming production of "The Wizard of Oz" . **SEPT. 30th & OCT. 1st**

We are looking for men, women and children who love to sing and dance and generally have fun while presenting a high quality performance for which KCP has a long-standing reputation. In total, we need about 15 each men, women and children of varying ages, voice ranges and appearances. Cast members will be expected to sing well, to act and to take part in the choreography. Those auditioning for the role of Dorothy should be approximately 13 to 16 years old, while children hoping to be in the chorus should be 9-15 years old. There are lead roles for adult males (Scarecrow, Tin Man, Cowardly Lion, Professor, Wizard) and females (Aunt Em, a bad witch and a good one). Other adults, along with those children who are not Dorothy, would form the chorus, with the odd one-liner or solo song line. At times, they would be Munchkins, townspeople,

guards, poppies, flying monkeys and so on.
