## Year End Reflections

'Tis the season to celebrate our successes of 2018 and to look forward to all that's to come in 2019. And, to show our gratitude to all that make what we do possible.

2018 was a year of great musical theatre at KCP. First up was the Full Company production of **Oliver!** in February, then

## Facilities Director

### We need you!

Our Board of Directors has grown but we are still in need a **Director of Facilities**. We have a wonderful team of people overseeing props, costumes --- but we need someone who can assist with general overseeing of the KCP Unit. An ideal candidate has some experience in facility management, but we are open to train an interested individual. To find out more about what is involved, [please email Lianne](#) for more information.

production of *Shrek* in February, then came our Studio Ensemble production of **Closer Than Ever in May**, and finally, our Young Company show, **Aladdin Jr.** in November. We wish to congratulate the casts, crews, and creative teams behind each and every one of these productions for staging such exceptional shows. Your dedication and hard work is matched only by our gratitude – thank you!

It was also a year of significant change within the organization. An expansion of the Board, the roll-out of a new Production Manual, enhanced financial management platforms, and new media partners, to name a few. And, I would be remiss if I did not take this opportunity to thank the Board of Directors for their commitment and hours spent handling the business of KCP. It's been a pleasure working with you and I look forward to our new year together.

And then there are our volunteers, without whom our successes would not be possible and our year to come would not exist. You are the backbone of this organization and you are greatly appreciated for all that you do. From sewing and gluing and nailing and painting to ushering people to their seats, and all the things in between, we thank you and look forward to working with you in the months and years to come.

But, for now, we wish all of you all the magic and wonder the season has to offer. HAPPY HOLIDAYS!
